The cats' leading advocate

If you missed our sold-out screenings of CatVideoFest last year, you're in for a treat! We've teamed up with our friends at Alley Cat Allies to bring 2017's meow-nificent reel back to the big screen. Expertly curated by filmmaker Will Braden (HENRI, LE CHAT NOIR) from the crème de la crème of popular favorites, classics and new, undiscovered cat videos, the 2017 reel features an array of kitties with cat-titude attacking boxes, lounging, falling, surprising, yawning and generally being adorable. Come see some sweet cat antics on the big screen, meet your fellow feline fanatics and learn more about how to help cats in DC and beyond, from our partners at Alley Cat Allies. Total program: 69 min.
